

## **FMFNS: A Musical Theatre Opportunity**

This year a unique MT opportunity has presented itself.

The local host festival of the 2023 NS Provincial Music Festival, Lunenburg County Music Festival, has secured access to the historic Lunenburg Opera House.

A very kind local donor is paying the cost of our using that space on both Friday, June 2 and Saturday, June 3, 2023. We need it on Friday, June 2 for the Intermediate and Senior/Advanced Classes of the Provincial Music Festival. But, Saturday, June 3, 2023 it is free for us to use in another way. So, the following event will happen:

### **The FMFNS presents the Lunenburg Opera House Experience**

*Let's be clear, this experience is being offered in conjunction with the NS Provincial Music Festival but it is not part of that festival, per se. Entrants who come to this event are not eligible to compete in the NS Provincial Music Festival – this is an opportunity for MT students other than those competing at the NS Provincial Music Festival to enjoy a Lunenburg experience on the stage of an historic NS venue. It's an exciting development and offers real possibilities for growth.*

*Also, the FMFNS has a deal that students from the Amherst area who participate in the Sackville (NB) Music Festival and who are recommended by their adjudicator to move on to activities/competitions at the provincial level may do so by attending those organized by the FMFNS. We would extend this invitation to those students, too.*
